Please take time to read through the COVID regulations available on our website and sent to the parents WhatsApp group. We shall do our best to ensure we abide and ask that you please help us by cooperating with the school to ensure we do not get any infections.

Below are some changes:

- Diaries will no longer be given. Parent communication will be through WhatsApp groups constituted upon opening per class. The teacher will inform the parents on how the day went. Constructive interaction is encouraged.
- Masks are a requirement and shall not be provided by the school. Please try and procure the child sized masks for ease of wear. Please pack at least 2 pieces just in case.
- Play will be minimal since contact sports are not encouraged. We shall do our best to ensure the learners get as much outdoor time as possible given the situation in a structured manner.
